## Co. School Board Names Teachers

Teachers for Hancock County schools were named at an executive meeting of the Board of Education Saturday.

On recommendation of Superintendent of Education K. G. McCarty, Oscar Breland was reappointed principal of Logtown School for the 1961-62 and 1962-63 terms.

Teachers for Logtown School recommended by Mr. Breland and approved by the board for the coming terms were Ray Howard, 7th grade; Jacqueline Hoyer, 4th; Rosalie Crawford, 4th and 5th; Eunice Casanova, 2nd, and Olivia Kellar, 1st grade.

Teachers recommended by Principal Paul Lanphere of Gulfview School and approved by the board were, Luke Caruso, 7th grade and coach; Gertrude Perkins, 5th and 6th; Mrs. Margaret Varnell, 2nd and 3rd, and Mrs. Irene McCarty, 1st and 2nd grades.

North Central School Superintendent Leo R. Rouse recommended teachers for the 1961-62 term, but a complete list was not available at this time.

During the regular session Mr. S. P. Powell was elected vice chairman of the board.

A motion by Mr. Powell and seconded by Alton Kellar to relieve the Clermont Harbor Civic Association of its contract and responsibilities with reference to the Clermont Harbor school building, effective March 20, 1961, unanimously carried. The Clermont Harbor-Lakeshore Youth center was given temporary use of Clermont Harbor school building after March 20, pending permanent arrangements by the school board.

The board recommended that Mr. McCarty meet with Mrs. Fritz Garcia, Leonard Ladner and P. R. Roscoe to discuss the building.

Mrs. Richard E. Webb was authorized to complete work on the Federal Aid Project under Public Law 674 which was not completed by former North Central School Superintendent R. E. Webb.

A motion by Mr. Powell to appoint Mrs. A. G. Courge to succeed her late husband as a member of the School Board died for lack of a second. The appointment of Clarence Moran also failed for lack of a majority vote.

It was decided to insure Sellers School property for one year in the following amounts: Cafeteria, \$1,000; Teachers' home, \$3,500; gymnasium and classrooms, \$4,000.

Alton Kellar made a motion which was carried to advertise the sale of Sellers School property as a whole or in parts.

Members attending were C. B. Murphy, S. P. Powell, Luis Nease and Alton Kellar.

The board adjourned until 2 p.m. Monday, April 3.

MAKE PLANS FOR STANISLAUS SPEEDBOAT REGATTA MAY 7

Additional plans were made for the forthcoming speed boat regatta at the Stanislaus Siding Club meeting Tuesday night.

The event scheduled for May 7 beginning at 11:30 a.m. is the third race of its kind this season and will draw some of the fastest boats in the area.

The regatta is an official event of the National Power Boat Association and points gained by pilots will be counted at the end of the year towards the National championship.

Witness in Court Here Charged With Forgery in Harrison

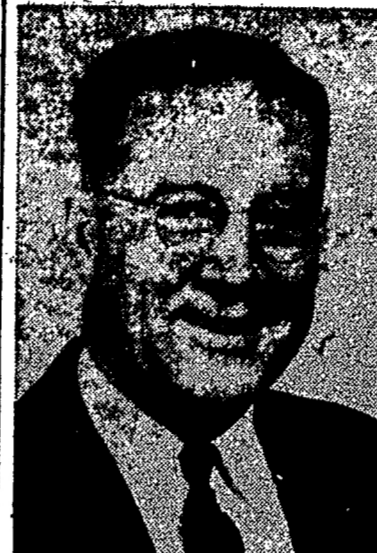

Dwight Oiler Ladner was arrested as he stepped from the witness stand in Circuit Court Monday.

He was put in custody of Pass Christian Police Chief Milton Woodcock and Constable Bravo Woodcock and confined to Harrison County Jail in Gulfport to await a preliminary hearing for alleged forgery.

Deputy Sheriff Gerald Price Jr. said the witness stand had been advised by L. C. E. Vann, Chief of Detectives at the Harrison County Sheriff's office, some time back that a warrant had been issued for Ladner's arrest.

Price said he telephoned Vann Monday when Ladner appeared in Hancock County Circuit Court as a witness in the trial of Jerry Slaydon, asking if he was still wanted. Vann said he was and

## GUEST SPEAKER

DR. J. WASH WATTS

Dr. J. Wash Watts will be the guest preacher at the First Baptist Church Sunday, April 2nd. He is Professor of Old Testament Interpretation and Hebrew in the New Orleans Baptist Theological Seminary. His graduate studies include research leading to the Master of Theology and Doctor of Theology degrees; he did special work at Oxford University, England also.

Dr. Watts has served as pastor, Army Chaplain, foreign missionary, seminary teacher, dean, and acting president. He served as missionary to Palestine in the beginning of that work by Southern Baptists.

He has written several books in the fields of Hebrew and Old Testament studies. He was the major professor who directed graduate research for Dr. Franklin Atkinson, pastor of the local church.

Professor Watts will preach at the morning worship service at 11:00 o'clock and at the evening service at 7:30. The pastor is away while preaching in evangelistic services in Tennessee.

Mary Toni Ladner, daughter of Mr. and Mrs. Sylvan J. Ladner, was awarded a summer campership for selling the largest amount of cookies in this area in the Girl Scout cookie sale which ended March 18.

Mary Toni, a member of Troop 6, under the leadership of Mrs. Marion Beal, sold 222 boxes of Cookies, Bridgett Langbein, Troop 340, with Mrs. Julius Baum leader, sold 180 boxes.

## Olen's Store Robbed

An undetermined amount of merchandise was stolen from Olen's Department Store on South Beach over the weekend.

Deputy Sheriff Gerald V. Price Jr. said the store was burglarized some time between Saturday night and Monday morning. Entry was gained, he said, by prying an upstairs window in the rear of the building. The theft was discovered Monday morning when employees opened the store.

Mr. Norris Boswell, from the Home office in Mobile, said to determine the amount of merchandise missing will necessitate a complete inventory of the store, and it will probably be several days before the inventory will be completed.

Deputy Price was assisted in his investigation by Deputy Theodore Morel and City Police Alcine Saucier.

Appoint Three New Directors To Hancock Bank Board

Leo W. Seal, Sr., president of the Hancock Bank of Gulfport, announced today the appointment of three bank officers to the Bank's Board of Directors.

Named to the Board of Directors were Donald E. Sutter, vice president and cashier; Thomas W. Milner, Jr., vice president in charge of operations; and Leo W. Seal, Jr., vice president.

Mr. Seal, in announcing the action, said the men were named at a meeting of the Board of Directors Friday afternoon.

The new Directors join the Board composed of Mr. Seal, Louie P. Swett, H. H. Jones, R. P. Funt, and C. E. McCabe.

Sutter joined the Hancock Bank in 1927 in Pass Christian after graduating from Pass Christian High School. He was transferred to Long Beach in 1931 and came to Gulfport in 1933.

Milner joined the Hancock Bank in July 1936 and was named as an assistant cashier in 1942 and became a vice president in 1947.

Leo Seal, Jr., joined the bank staff on June 25, 1947. He is a graduate of Bay High of Bay St. Louis, Mississippi State University and the School of Banking of the South at L.S.U.

Seal was recently elected President of the Junior Bankers Section of the Mississippi Bankers Association. He also serves as a Director of the Standard Life Insurance Company of the South.

He served in the U. S. Army during World War II with 40 months of active duty, including 30 months of overseas duty.

## Johnson Out For Mayor

The Hancock County Eagle is hereby authorized to announce the candidacy of Burlin D. (Pip) Johnson for the office of Mayor of the City of Bay St. Louis, subject to the action of the Democratic Primary Election on May 9, 1961.

Mr. Johnson's statement to the voters of Bay St. Louis follows: TO THE PEOPLE OF THE CITY OF BAY ST. LOUIS

After careful deliberation and upon the urging of many of my friends I have decided to become a candidate for the office of Mayor of the City of Bay St. Louis, Mississippi.

I feel that I am no stranger to the people of our fair City however I will give you a brief history of my personal background. I am a native of Hancock County and have for many years been a Bay St. Louis man. I am married to the former Rose Maynard and we have six children. I have been active in both church and civic affairs. In 1948 I was elected to the highest office of our County as Sheriff and Tax Collector and served the four year term with honor and dignity to the office. Records of the State Auditing Department will show that my records were accurately kept and that the finances of my office were sound and in good order.

I feel that when elected Mayor I will still render the same fair and impartial service to the people.

I pledge that I will do everything within my power to provide transportation to all of the children attending our school without (continued on Page 2)

Trial of Jim Blackwell, 30, indicted as a suspect in the December 23 hijacking of a truck-load of liquor belonging to Stiefel Brothers, has been continued to the September term of Circuit Court.

Blackwell is at liberty on a \$20,000 bond.

His attorney, Bidwell Adam, asked for continuance of the trial to the next term because of the urgency of other legal matters.

Blackwell, who was arrested January 30 in Gulfport as a suspect in the hijacking case, was granted bail bond at a habeas corpus hearing January 31, held before Judge Leslie Grant at Wiggins.

Two other suspects in the case, Charles L. Evans and his brother Eugene Evans, who were arrested in California and extradited to Mississippi earlier in the month were not indicted by the grand jury. Eugene was released and Charles was released to the custody of Harrison County to await action of a Harrison County grand jury on a forgery charge.

Sentencing of Donald Woodley was deferred Thursday by Judge Grant until March 30.

Woodley pleaded guilty to grand larceny and to a state-reduced charge of accessory after the fact to burglary.

He was charged with burglary of Wehre's Frosty Inn last December and with the theft of articles from A. W. Stahl home in Waveland.

Woodley also pleaded guilty when arraigned last week to attempted jail-break March 8 and will also be sentenced March 30 on that charge.

George Nease, who pleaded guilty to child desertion, was given a suspended \$500 fine and was ordered by Judge Grant to make support payments of \$10 per week through the Hancock County Welfare Department.

Jerry Slaydon was sentenced Monday in Circuit court to serve five years in the State penitentiary for grand larceny.

Slaydon was charged by the state with the theft in New Orleans of a pickup truck in February 1959 which he brought to Bay St. Louis.

Slaydon, assisted by his father Andrew Slaydon, conducted his own defense. His case, originally set for March 20, was continued when Slaydon told the court his attorney dropped the case when he was unable to raise the full amount of a retainer fee.

Slaydon failed to appear when his case was set for trial in September 1959 court and a judgment nisi was taken against his bond. The judgment was set aside when he was brought into this term of court.

Bobby Bazar, 20, was sentenced Monday to 20 years in the state penitentiary for armed robbery and two years for grand larceny, the sentences to run concurrently.

Bazar was charged with the holdup of a Santa Rosa store and the theft of an automobile from the owner, Mrs. Clifton Seals, last November.

## Easter Bonnet

These are the times that try women's souls.

But all the mischief youthful fingers may perform can only fray the nerves and upset the budget.

You can't spoil Easter.

For Easter isn't frills and finery. Easter isn't pride and parading.

Easter is the soul's own Life—bright with God's love today—rich with His promise tomorrow.

Its adornment is a world at worship . . . souls at one with the risen Christ . . . fulfilling the ageless quest for the beauty and joy which cannot perish.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Infant Health is Improved

Improvement of three B vitamins and iron in the general diet of the nation has been an important factor in the improvement of infant health, according to a report by the National Institutes of Health.

The report, which was prepared by the National Institutes of Health, states that the death rate of infants under the age of one has decreased by 50% during the first ten years of the enrichment program.

"Studies by the United States Department of Agriculture have shown that the added thiamine and iron provided by enriched bread and flour brought many other otherwise deficient U. S. diets up to adequacy and in recent years constituted the most significant improvement in the nutrient intake in the U. S. diet."

"Deficiency diseases such as pellagra and beriberi, virtually unknown in the United States today, although these were quite prevalent in the 30's."

"It may well be said that bread has always been a good food. It has contributed to mankind's well being for more than 8,000 years. When enrichment came along it made a good food better. Nutritionists today can recommend and use enriched bread in all diets as a good nutritious food."

Dr. Sebrell, former director of the National Institutes of Health, cited records in New Zealand where also vital statistics showed a vast improvement within four years.

## Oil Jobbers Management Institute At Ole Miss April 10-11 Announced

UNIVERSITY, Miss. — The fifth annual Oil Jobbers Management Institute will be held at the University of Mississippi here on April 10-11. It was announced here today. The institute is sponsored by the University in cooperation with the Mississippi Oil Jobbers Association.

Emphasis this year will be on dealer management, said W. M. (Bill) Jones, director of conferences and institutes. The program will include active dealer participation in a panel with speakers, to be followed by problem analysis workshops.

"This technique is designed to give every jobber the opportunity to have his problems discussed," said Mr. Jones.

Featured speakers will include L. T. White of New York, vice president, Cities Service Petroleum, Inc.; John B. Shields of Chicago, Manager, training and business research, Bennett Pump Division, John Wood Co.

W. P. Marquand of Palatine, Ill., trade relations director, Pure Oil Co.; H. D. Fee of New Orleans, regional credit manager, Ameri-

## Katchka Katchka

Good weather of last weekend provided some excellent fresh water fishing and good catches were reported.

Green trout and perch were being caught on both surface and underwater baits in White's and Coward Bayous.

Some few soft crabs and flounders were caught over the weekend but high tides of the past few nights put a damper on this sport.

Earnest Strong reported catching some soft crabs over the weekend. He is an old timer at the game.

Emile Schindler hasn't been doing so bad with the soft crabs either.

Billy Anderson of Perkinson reported catching some green trout up his way lately. He is an ardent fisherman and usually gets his share. He also loves his hunting.

Mr. and Mrs. James Miller of Chicago, Ill., has been down visiting the Mauffrays. Mr. Miller enjoys his fishing and said he will be back soon to try his luck hereabouts.

Plans are progressing nicely for the 8th annual Mississippi Women's Golf Ass'n. tournament to be held April 17 at Pass Isles Golf Club. The course is in good shape and Pro Dick Tarleton said the course will be in even better shape at tournament time.

News from Iron Mountain, Michigan states that young Robert Fitzgibbon, known as the Menominee Range Scoring Champ and Mountaineer Ace, paced Iron Mountain's win with a 24 point collection in a hard fought basketball game, Class B - District at Dickinson County Armory to advance into the championship game.

Bob is the son of Mr. and Mrs. Robert J. Fitzgibbon (nee Lucille Ryan) of Iron Mountain. Maternal grandparents are Mr. and Mrs. John J. Ryan of Bay St. Louis.

**DAUGHTER BAPTIZED**  
Rosalie Junginger, infant daughter of Sgt. and Mrs. Gean Junginger was baptized last Sunday at Our Lady of the Gulf Catholic Church with Rev. Bernard Haddican officiating.

The sponsors were a maternal aunt, Miss Virgie Benigno and Mr. Ed. Carrere.

## GAME FISH - GENERAL LAWS AND REGULATIONS

Open season - no closed season on taking of game fish. Hand grabbing or hand fishing for catfish is prohibited in counties closed by regulations of the commission.

Size limits: No size limit on game fish.  
Bag limits: Black bass, 15 per day; Striped bass 15 per day; Sanger or Jack Salmon 15 per day; Crappie or White perch, 30 per day; breams, goggle-eye and all other sunfish or combination of all, 50 per day. Aggregate daily limit of all kinds, 75 per day.

Possession limit: Not more than two days bag limits of gamefish.

A public hearing prior to setting hunting seasons and bag limits for 1961-62 has been set for Tuesday, May 9 at 10:00 a.m., John Camp, director of the Game and Fish Commission, announced today.

The meeting will be held in the main auditorium of the Woolfolk State Office Building in Jackson.

Camp urges all members of sportsmen clubs, conservation leagues and all other interested persons to be present at the hearing to present views and express recommendations pertaining to the 1961-62 hunting seasons.

## Brenda Johnson Wins First Prize For Slogan

Brenda Johnson, nine-year old fourth grade student in Mrs. Allene Schuler's class at North Bay Elementary School, won first prize for her slogan on destroying flies.

Charles Favre was second place winner and Ronnie Epperson third. The class has just completed a unit of teaching on the housefly and prize was offered for the best slogan.

Brenda's slogan follows: Oh, nasty fly, don't light on me. Let my body be germ free. You've hatched and lived on filthy things. You drag your feet and they are wings.

Schuler is all that you can bring. You seem to come around in the house. So let me get the swat and spray and try to run you far away. It would be better if you were dead.

There, now I've hit you on the head. So now I say one last good bye. You're rid of you, you nasty fly. Kill flies in May, a WHI.

Other slogans were by: Charles Favre and Ronnie Epperson. Mrs. Schuler was the judge.

## Fashion Show Presented By Beta Rho Chapter At SJA Auditorium

The fashion show presented by Beta Rho Chapter Beta Sigma Phi Sorority last Thursday night at St. Joseph Academy auditorium opened with a showing of the latest styles in play clothes and Easter frocks for children modeled by Evelyn Murtagh, Jeannine Glanville, Charlotte Ruiz, Paula Ann Buhr and Sharon Ruiz.

Do You Know What is the Nation's Biggest Industry? It is farming. Farming employs almost 7 1/2 million workers. This is more than employed in the steel industry... or transportation and public utilities combined.

The investment in agriculture represents \$21,300 for each employee, as compared with \$15,800.00 for each worker in manufacturing industry.

MARCH IS NATIONAL EGG MONTH

In celebration of National Egg Month, why not try a different way to serve the traditional breakfast bacon and egg. You can make

EGG NESTS

Separate the white of room-temperature eggs. Allow one egg for each "nest." Beat the whites until stiff and season with salt and pepper. Fashion the nests on a greased baking sheet by dropping the white from a teaspoon into separate little piles. Indent the center of each nest.

Slip an egg yolk into each nest and generously cover with the crispy bacon crumbles. Bake in moderately heated oven until yolks

## Mrs. Chas. Moore Death

Mrs. Charles E. Moore, 75, former resident of New Orleans who has made her home on the Coast for the past 20 years died in Bay St. Louis Friday, March 22.

Survivors include her husband, Capt. Charles E. Moore, and two daughters, Mrs. Laverne Thibault, Bay St. Louis, and Mrs. Clayton Hankston, New Orleans.

Funeral rites were conducted at 1 p.m. Sunday at Foley-Whitfield Funeral Home. Interment was in Garden of Memories Cemetery in New Orleans.

are set. Serve immediately on buttered toast.

EASIER IRONING

There is a lot you can do before you start ironing to make the job easier.

If you have a wringer or spinner-washer, take time to avoid unnecessary wrinkles and creases. Straighten clothes before they go through the wringer to avoid bunching. Don't overload the spinner.

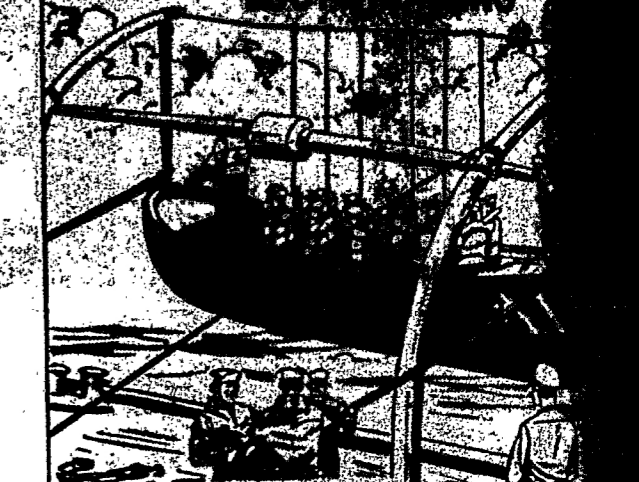

If you have an automatic washer, follow direction for it use. Use special cycles adapted to different fabrics, or shorten cycles (especially spin) for wash-and-wear fabrics.

If you have a dryer, learn to use it to cut down on ironing. Read the directions book and follow it. And remember-over-drying puts in deep wrinkles. So does over-loading the dryer. And so does leaving the clothes in the dryer after they are done.

To have smooth sheets without ironing, take them from your clothes dryer before they are completely dry. Fold them and place them on top of the dryer to finish drying.

A little experience will help you know just when to remove them from the dryer. They shouldn't be damp, should they be completely dry. Because fabrics fade side the dryer temperature.

# BREAKTHROUGH:

Suddenly Shell makes every other motor oil obsolete —with a revolutionary new formula which fights the five internal troubles that can shorten engine life

Shell's research reveals five common internal troubles that can shorten the life of your car. All five work silently and unseen.

These troubles are additive ash, crankcase dirt, temperature changes, engine acid and cooling system leaks.

Read how new Shell X-100, Premium fights all five internal troubles.

TODAY, every Shell dealer in America has new Shell X-100 Premium Motor Oil ready for your Spring oil change.

New Shell X-100 Premium is a genuine breakthrough because it is the only motor oil available that protects your car simultaneously against these five internal troubles that can shorten engine life.

**Trouble #1—additive ash**  
Up to now, even the best premium motor oils were powerless to guard against additive ash—because they actually created it.

While endeavoring to keep your crankcase shipshape, some of the ingredients in these oils contributed to the hard crust of ash inside your combustion chamber.

All other premium motor oils still have the same snag. The trouble came from the metallic additives used to prevent scuffing, but deposits, rust, corrosion and so forth. These additives do what's expected of them, but they leave a tiny amount of metallic ash in the combustion chamber where they burn and form additive ash.

Other additives used to keep your engine clean by holding dirt particles together. These additives form sticky sludge. Some particles are so sticky they can't be washed out when you change your oil.

to build up, can affect your car's performance—can make it knock and run roughly.

New Shell X-100 Premium doesn't add to this problem—because it doesn't contain a single metallic additive.

**Trouble #2—crankcase dirt**  
All engines accumulate crankcase dirt no matter how well they are protected by filters. The problem is to stop this dirt from getting together and forming sticky sludge which can clog your engine.

Most premium oils use a detergent additive to do the job. And they perform well. But like other additives, most detergents are metallic and cause that old devil—ash.

Shell's solution is to replace detergent with a remarkable new ingredient known as a dispersant, called Alkaldine.

The Alkaldine in new Shell X-100 Premium keeps your engine clean by holding dirt particles together. These additives form sticky sludge. Some particles are so sticky they can't be washed out when you change your oil.

New Shell X-100 Premium.

Oddly enough, nobody yet knows exactly how Alkaldine works. But the proof of the pudding is in the testing. After 1,200,000 miles of city driving, engines of test cars lubricated with Shell X-100 Premium showed so little sludge that it could hardly be measured.

**Trouble #3—temperature changes**  
Many motor oils tend to become too thick when cold and too thin when hot.

New Shell X-100 Premium is an all-year oil. Here's how it works. Alkaldine has a molecular structure that resembles a basket of soft, spongy balls.

When the oil is cold, Alkaldine's soft-like molecules curl up as if for comfort. In effect, they take up less space in the oil, and the oil flows freely through the engine's bearing, even on cold starts.

Conversely, when the Alkaldine in new Shell X-100 Premium is hot, its molecules uncurl. They take up more room. And

the oil resists thinning. Thus, new Shell X-100 Premium eliminates trouble from sudden temperature changes. It lubricates just as efficiently in June as it does in January.

**Trouble #4—engine acid**  
All automobile engines manufacture acid. This acid can do far more damage than friction. It can eat away at engine parts in much the way stomach acid can cause ulcers. Then you're really in trouble.

One way to combat engine acid is to make the oil alkaline. Many oils use this method. But here's what happens.

The neutralizing effect of alkaline oil inevitably gets weaker as engine acid sets up the alkalinity—till it eventually stops working completely. Then your oil no longer gives you anti-acid protection.

Shell tackles this troublesome acid problem in a new way. Shell X-100 Premium actually plates all engine surfaces with a thin chemical film. The metal literally absorbs some of Shell X-100 Premium's protective qualities. Chemicals call this phenomenon "chemisorption."

"Chemisorption" offers a longer-lasting protection against acid attack than any other method ever invented.

**Trouble #5—cooling system leaks**  
Tiny leaks of permanent sealers can play nasty tricks with many motor oils.

These oils contract chemically with permanent sealers and form a brittle skin which can actually break an otherwise healthy engine in a heartbeat.

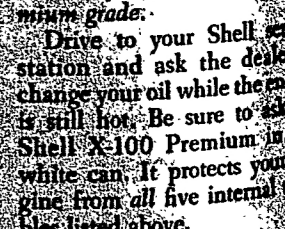

Then you're on the way to a major repair bill.

New Shell X-100 Premium sets all such fears at rest. It resists reaction with any anti-freeze. It shrugs it off.

The additives in Shell X-100 Premium resist washing with water, too. In some cases, additives can be lost to leaks. In Shell X-100 Premium, they stay.

**How much does Shell X-100 Premium cost?**  
If you drive the national average of 10,000 miles per year, switch to Shell X-100 Premium. With regular oil changes, cost you only \$3.60 more per year—give or take a nickel. And probably more extra if you already use a minimum grade.

Drive to your Shell station and ask the dealer to change your oil while the engine is still hot. Be sure to ask for Shell X-100 Premium in white can. It protects your engine from all five internal troubles listed above.

## LEAGUE WOMEN VOTERS SET 1961 PROGRAM

From time to time, those of us who are regular readers of our local papers see mention in their columns of plans to remedy our archaic sewerage system. Hope springs up, but it quickly dies down again when year after year nothing happens.

The League of Women Voters of Hancock County has embarked this year on a program of the study of various safety measures for our community and a part of that program it is their intention to study the vital question of water pollution. This is a part of the major problem of water conservation which has been on the agenda of the League of Women Voters of the United States for several years. It is the policy of the almost a thousand Leagues in the United States to inform themselves thoroughly on these matters, so that when the time comes for legislative action, they will be ready and informed enough to take action through their congressmen.

Although the over-all problem of water conservation may not be of paramount importance to the people of Hancock County, it provides a definite problem to our country as a whole, and therefore it does impinge upon our welfare. But there is no doubt that water pollution does concern each one of us personally. Not too long ago, our neighboring city of Pascagoula suffered through an epidemic of hepatitis, caused, it is thought, by oysters carrying the disease through pollution of the waters in which the oysters were found. We in Bay St. Louis have so far been extremely fortunate in that our fish, shrimp and crabs have not been contaminated by the sewerage emptying into the Bay.

In order to bring this serious problem of sewerage and water pollution into the open, the League will devote its next meeting to a discussion of this problem and its possible solutions. The meeting will be held in April, and the League will present an authority on health measures as speaker and moderator. The time and place will be announced in this paper and Mrs. Otis Winward, president of the League hope that every citizen who has his own, his family's and his community's welfare at heart will attend.

## Telephone Excise Tax \$14.43 Each in 1960 In Bay St. Louis

Each telephone customer in Bay St. Louis paid an average of \$14.43 in federal excise taxes on his telephone service in 1960.

According to J. C. Dabney, manager, the total excise tax bill for Southern Bell's customers in Mississippi last year was \$4,325,000. The 10 per cent tax is levied on both local and long distance telephone service.

"Telephone service is the only household utility that has excise tax on it," Mr. Dabney pointed out. Other items on which the excise tax is placed are luxuries such as jewelry, liquor and furs, he added.

The excise tax on telephone service was enacted as a wartime emergency measure to raise revenue and cut down on non-military use of telephone facilities. So far this year five Mississippi Congressmen have introduced bills to repeal it.

The tax on local telephone service was scheduled to expire last June 30, but Congress extended it until June 30, of this year. "It has been a temporary measure since 1941," Mr. Dabney said.

The tax on long distance, as well as local service, is discriminatory against telephone users. Both should be abolished," he said.

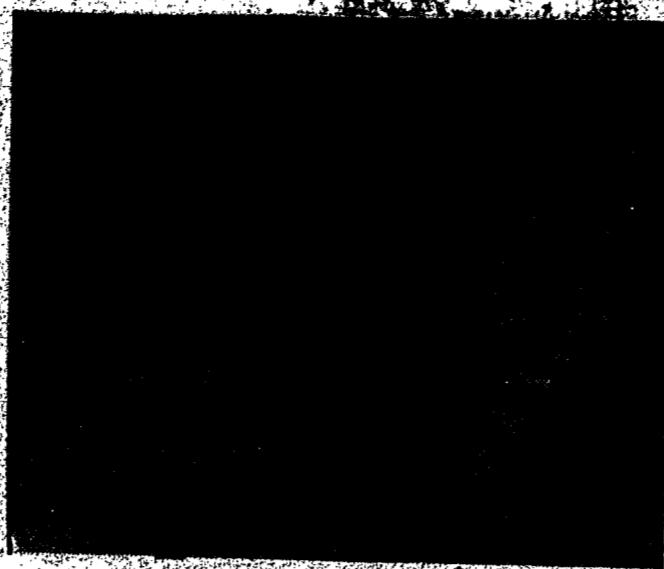

## Coast Residents Held After Raid

GULFPORT, Miss. — Two Hancock county residents were arrested when US treasury agents raided a distillery operating in the rear yard of a Bay St. Louis residence.

Federal agents Tuesday identified these arrested as Vester John Ladner, 47, and Ernest Williams, 31, both of Bay St. Louis. Agent said still operations were conducted in a shed on Ladner's property.

The two men were charged with possession and operation of an illicit distillery, and possession of mash and tax-unpaid whiskey.

Agents reported they destroyed four 120-gallon-capacity stills, sixteen 60-gallon fermentors, 720 gallons of mash and six gallons of tax-unpaid moonshine whiskey.

"THE UNFAITHFULS"

Sultry Gina Lollobrigida, pictured above with Pierre Cressoy, finds herself involved in a black-mail scandal from which there is no escape in Allied Artists' "The Unfaithfuls," opening Sunday at the Gulf Theatre, Gulfport.

MOVIES "THE SUNDOWNER"

Deborah Kerr and Robert Mitchum star as an itinerant Australian sheep drover and his wife in Warner Bros. Technicolor production of "The Sundowner," opening Sunday at the Star Theatre.

## ANNOUNCE BIRTH

Mr. and Mrs. Ray Prosser announce the birth of their fourth child and first son, Raymond Frederick, Jr. on Saturday, March 25 in Gulfport Memorial Hospital.

## ANNOUNCE BIRTH OF SON

Mr. and Mrs. Gordon Switzer announce the birth of their second child and first son, Gordon Grover at 8:15 p.m. Friday, March 24, at Hancock General Hospital. He weighed eight pounds, six ounces.

Mrs. Switzer, the former Betty Lou Raley is the daughter of Mrs. G. D. Raley. The paternal grandmother is Mrs. Fred Switzer of Gulfport.

## Five Ships At Once In New State Port

Five ship were docked at the Mississippi State Port at Gulfport March 21 — the first time in years that the port, recently taken over by the state, has seen that many "customers" loading and discharging cargoes at its docks. The ships included one Norwegian and one American vessel loading fertilizer, one Norwegian ship unloading nitrate of soda, and two German vessels — one unloading magnesium sulphate and the other unloading bananas from South America.

"The Unfaithfuls," opening Sunday at the Gulf Theatre, Gulfport. The film, a revealing story of high society capers in Rome, also stars the alluring May Britt.

day at the Star Theatre. Peter Ustinov, Glynn Johns and Dina Merrill also star in the film which was directed by Fred Zinnemann on location "down" under."

## MAHFOUX BIRTH

Mr. and Mrs. Happy Mahfoux of Little Rock, Arkansas, announce the birth of a daughter, Rosemary, February 8.

Mr. Mahfoux was a former basketball coach at St. Stanislaus.

## DAUGHTER BAPTIZED

Joan Elizabeth Thomson, daughter of Mr. and Mrs. Clayton Thomson, was baptized Sunday afternoon at Our Lady of the Gulf Catholic Church with the Rev. Father Kevin Reid officiating.

Sponsors were Jules Poolson and Miss Lana Taylor.

## TWINS BAPTIZED SUNDAY

Linda Lea and Brenda Lee Parsons, twin daughters of Mr. and Mrs. James Parsons Jr., of Mobile, were baptized Sunday afternoon at Our Lady of the Gulf Catholic Church with Rev. Kevin Reid officiating.

Sponsors for Linda Lea were Mr. and Mrs. Gregory Kergosien, and Mr. and Mrs. David Treutel were sponsors for Brenda Lee.

A reception followed the ceremony at the home of the grandparents, Mr. and Mrs. Douglas Bourgeois.

Mr. and Mrs. Parsons, the former Mary Lou Bourgeois, the twins and their other daughters Susan and Denise returned to Mobile Monday.

## Wayne's 'Alamo' To Show Locally

Direct from its record breaking "roadshow" engagements, John Wayne's mammoth production of "The Alamo" opens April 7 at the Legion Theatre, through United Artists release. John Wayne's Technicolor tribute to a proud and powerful chapter in American history will be shown exclusively on Broadway.

The immortal story of the fight for Texas independence was filmed entirely in Texas, only a few miles from where the Alamo today is a national shrine. It was at this famous mission-fortress that the exciting careers and quicksilver personalities of three of America's most colorful heroes were combined, and where they ended in glory. Richard Widmark plays the fiery Colonel Jim Bowie and Laurence Harvey is Colonel William Barret Travis, the intrepid commander of 180 brave men who gave their lives for the cause of freedom everywhere. It seems incredible that less than 185 volunteers in a crumbling mission would even consider standing against 7,000 battle hardened professional soldiers, and yet it is an absolute recorded fact.

Richard Boone makes a memorable guest appearance as the dynamic Gen Sam Houston.

## Visit St. Joseph Altar

Among those from here who viewed the St. Joseph Altar at the home of Mrs. Frank La Rosa in Pass Christian recently were Mr. and Mrs. Lucien Pernicaro, Mr. and Mrs. Fabian Buquoi, Jr., Joseph and Jack Pernicaro, Mrs. Henry Pulliziano and Mrs. Dominica Pernicaro.

Edith Ann Pernicaro, daughter of Mr. and Mrs. Lucien Pernicaro portrayed the Blessed Mother, Mr. Tony DiLorenzo of Long Beach, St. Joseph; Gerald Vrzal of Mobile, the Infant Jesus; Miss Lucille Giametta, St. Theresa; and Robert Reid, Long Beach, St. Jude.

Over 300 guests called at the La Rosa home during the day.

The Men's Softball League met Monday night at Trapani's Knock Knock Club with all eight teams represented.

Several rules were discussed and adopted, umpires were selected and the schedule for the season adopted.

League play will begin Monday night, May 29, and continue through July 31, with the playoffs beginning August 2.

Mrs. Theodore Tudury, Parks and Playground Commission chairman, announced the commission is presently working to get the field in good condition for the season.

Tentative plans were made to hold a tournament May 21 on the large playground in the rear of St. Stanislaus school.

## Guest Speaker

Mrs. A. J. Ramage will be guest speaker at the Ladies Hospital Auxiliary meeting Monday, April 3, at 2:00 p.m. in the hospital conference room.

## ENTERTAINMENT DISCONTINUED

Will be resumed April 7. The regular Friday night entertainment at the Bay-Waveland Yacht Club, which was discontinued during the Lenten season, will be resumed Friday April 7, Mr. B. F. Farrelly announced this week.

The regular second Sunday of the month dinner has been cancelled, he added, and a dinner will be held Easter Sunday from 12:30 to 2 p.m.

Reservations must be made by Saturday at 10 a.m. by calling the club.

## SPONSOR DANCE

The Bay St. Louis Youth Center will sponsor a dance Saturday April 1, from 8 p.m. to midnight, at the Youth Center. Music will be furnished by Mac Rebenec and his band from New Orleans. Admission will be \$1.00 per person.

## CARD OF THANKS

We wish to thank each and everyone of the 400 volunteers, who searched so long in the hours of tragedy, for our beloved one, Wallace J. Bourgeois, Jr., the sheriff and all Officials of Hancock County. Town of Waveland and surrounding Coast Counties: civil defense units, the Orange Grove fire department, National Guard, Tennessee Gas Company, Mississippi Conservation and Game Warden and skin divers for the intensive search.

Special thanks to Revs. Bernard Haddican, M. J. Costello, Kevin Reid, Michael Kelly, Fabey-Whitfield Funeral Home and for the floral offerings, Masses, also friends and relatives. Mr. and Mrs. Wallace J. Bourgeois, Sr. and Family

## Family Gives Thanks

To the wave of humanity, who braved physical danger and hardships in the search for our son, G. E., my family and I wish to express our humble thanks and appreciation. Also, those wishes are extended to others who gave us spiritual, moral and physical support through the days of our tragedy.

Mr. Price, your family and staff, words aren't adequate to express our feeling for the powerful leadership and tenderness that was extended to us. That leadership, I am sure, gave the people courage and strength to continue their search until the end and saved any further tragedy. I know that we will never know all the people or incidents that occurred but I hope through this medium that we may contact the majority and let them know how we feel.

The financial assistance also was a major factor in the search. Food, transportation, and days of man hours lost can never be measured in words of thanks.

We also want to thank all organizations and anyone who helped in our greatest time of need. To the States of Mississippi and Louisiana may we close with the thought that we were able to give our boy a Christian burial and we feel sure that he is in the hands of our Lord.

Always grateful, MR. and MRS. G. B. MAURIGI and FAMILY

## Card of Thanks

We wish to express our sincere gratitude to our many friends and neighbors for their love and kindness shown us during the recent death of our loved one.

CAPT. CHAS. E. MOORE and FAMILY
